The S520 is a procedural standard and reference guide for the mold remediation industry. It has been in development for almost 2 years. Participants include the remediation industry, indoor environmental professionals, doctors, lawyers, microbiologists, mycologists, safety professionals, public health professionals and other representatives of interested and related professions.

The development of this document has been in concert with many organizations. As such, we are able to offer the publication to any one that is interested in acquiring a personal copy. **The retail price of the S520 has been set by IICRC at \$130.00.**

The IEI order price for the S520 is **\$80.00 (USD)** per copy for CRA members, and **\$100 per copy** for non-members.

**PLUS!** Order a S520 now and receive a **FREE IICRC S300 Standard and Reference Guide for Professional Upholstery Cleaning** with each S520 purchased.

Orders will be processed by Indoor Environmental Institute.
